Description

The 5 houses that make up the Murches – Cascais condominium seem to have everything we look for in a home. Their generous dimensions and layout immediately catch the eye: 4-bedroom apartments with 363 square metres of covered area, surrounded by a private/communal garden area with an outdoor swimming pool. Designed based on the harmonious fusion of various architectural concepts inspired by the Mediterranean, they were designed to ensure a harmonious and community-based experience.

Beautiful, distinctive, welcoming and built using noble materials, the Murches – Cascais condominium is located in the municipality of Cascais, between the Sintra mountains and the Atlantic Ocean, in a residential area where the smell of the sea mixes with the aromas of the mountains.

Close to the renowned Guincho beach (5 minutes by car), the town of Cascais – renowned for its splendid white sand beach, its numerous shops and charming shopping streets and its cosmopolitan atmosphere, Estoril, which is an internationally renowned tourist centre and home to the largest casino in Europe, and Sintra, classified as a World Heritage Site by UNESCO.

The condominium is located just 5 minutes from the A5 motorway that connects Cascais to Lisbon and 20 minutes from Lisbon. Suitable for families looking for a quiet area to live with good access and infrastructure.
